

Index Card Envelope

www.schlusserdesigns.com

1. Print out template on the back of your patterned paper.
2. Cut out around all solid lines and score and fold along the dashed lines.
3. Adhere sides together along middle. Adhere the bottom tab to the outside of the envelope.

You're finished!

Use this half circle piece to cut out an envelope flap in a coordinating color or pattern. Just adhere over the main flap for a different look.
